Congratulations Providers!

* These rates were calculated using data from the NDIIS for North Dakota residents in the indicated age group during the 2018-2019 influenza mid-season (August 1, 2018 through December 31, 2018).

† Goal of 70% for at least one dose of influenza vaccine administered during the 2018-2019 influenza mid-season for at least one age group.
